PROJECTS

Abhishar Launch Website | *HTML, CSS, HeyZineFlipbook, Git, Vercel* November 2023

- Deployed a website for the annual magazine (Abhishar) of IIIT Gwalior, aligning with its designated theme.
- Implemented a responsive web design and integrated a FlipBook (e-book) into the system.

The Daily Pulse | *HTML, CSS, JavaScript, NewsAPI, Git, Netlify* July 2023

- Developed a comprehensive news hub using HTML, CSS, and JavaScript.
- Implemented keyword and category-based search features using News API to aggregate real-time news updates from 50+ countries that redirect to the parent website.
- Designed a user-friendly interface responsive to various devices, ensuring a seamless news browsing experience.

SkyCast | *HTML, CSS, JavaScript, OpenWeatherMap API, Unsplash API, Netlify* June 2023

- Developed an HTML, CSS, and JavaScript-based weather application delivering real-time forecasts, interactive maps (using MeteoBlue weather Maps), and accurate weather information.
- Incorporated Unsplash API to dynamically update background imagery based on user-entered city name.

Bunny Ticket | *Figma* April 2023

- Crafted a Figma design of a movie ticket booking platform, encompassing a Splash Screen.
- Implemented prototyping techniques to visualize user interactions and enhance the functionality of the design.

EXPERIENCE

Abhigyan Abhikaushalam Student's Forum | *Web Developer and Designer* July 2023-Present

- Launched a website for the annual institute magazine (Abhishar), in line with its designated theme and vision.
- Created a 68-page design for the institute's annual magazine utilizing Adobe Photoshop.

LEADERSHIP AND VOLUNTEERING

Rotaract Club of Youth, IIIT-Gwalior | *Social Service* March 2023-Present

- Assisted in organizing fundraising events and community drives for social causes.

Student Gyan Movement, IIIT-Gwalior | *Social Service* January 2023-Present

- A student-driven initiative providing educational assistance to nearby students experiencing economic hurdles.
- Volunteered time outside of personal studies to provide educational support to over 100 underprivileged students, fostering a positive impact through teaching and mentorship.
